

The strategy will focus on three aspects:

1. Achievement
2. Aspiration
3. Attendance

<b>Barriers to future attainment (for all pupils particularly those from disadvantaged backgrounds)</b>	
<b>1.</b>	<p><b>Achievement</b></p> <p><b>Pupils who are eligible for PP are making less progress than other pupils, including Males, HAPs and SEN pupils:</b></p> <ul style="list-style-type: none"> <li>- Lower literacy skills on entry than other pupils</li> <li>- Lack of high quality teaching including feedback, tracking and assessment</li> <li>- HAPs are not challenged and stretched</li> <li>- Boys underperforming compared to girls</li> <li>- Subject areas do not have an explicit focus on progress of PP pupils</li> <li>- Heads of year do not have a holistic approach to underachievement across the curriculum</li> <li>- Lack of opportunity to keep up with peers</li> </ul>
<b>2</b>	<p><b>Aspiration</b></p> <p><b>Pupils who are eligible for PP are less engaged in school and enrichment and do not have the meta cognitive strategies to develop independent learning:</b></p> <ul style="list-style-type: none"> <li>- Lower rates of attendance to after school intervention and enrichment activities</li> <li>- Lower parental engagement in school based activities including attendance to Open evenings, Achievement evenings and 1:1 meetings</li> <li>- Lack of opportunities and resources available to actively engage parents with supporting their children’s learning</li> <li>- PP pupils complete less homework than other pupils</li> <li>- PP pupils are less likely to have the skills to ‘learn to learn’. PP pupils had an ATL score of 1.73 against Non PP pupils score of 1.67</li> <li>- PP pupils are less likely to want to pursue further education</li> <li>- Lack of opportunities and resources to actively engage pupils and parents</li> </ul>
<b>3</b>	<p><b>Attendance</b></p> <p><b>Pupils who are eligible for PP have lower rates of attendance than other pupils</b></p>

	<ul style="list-style-type: none"> <li>- Attendance of PP pupils was 92.9% for 2017-18- for Non PP pupils nationally this is 95.8%. At Newark Academy Non PP attendance for 2017-18 was 95.6%</li> <li>- PP pupils more likely to be permanently excluded or excluded for a fixed term than their peers</li> </ul>

	Intended outcomes	Success criteria
1	<p>1a) Appoint teachers for KS3 and KS4 to support the achievement agenda and ensure all PP pupils in year 7-12 make outstanding progress in all subjects with a particular focus on none core subjects.</p> <p>1b) <b>All year 7 pupils</b>, particularly disadvantaged pupils make good progress in English and maths</p> <p>1c) <b>All pupils</b>, particularly disadvantaged pupils, are in receipt of high quality teaching – which includes a focus on:</p> <ul style="list-style-type: none"> <li>- 5 Golden threads</li> <li>- Differentiated lesson plans</li> <li>- Adjusted seating plans</li> <li>- Specific and timely feedback with regular AfL</li> <li>- Targeted questioning – 3:1 ratio</li> </ul>	<p>This will be evidenced through;</p> <ul style="list-style-type: none"> <li>▪ Appointments commencing Sept 2018</li> <li>▪ Monitoring and tracking of all year groups</li> <li>▪ New Line Management of non core subjects</li> <li>▪ Depts working in Faculties to share and embed best practice</li> <li>▪ RAG meetings as embedded in year 11</li> <li>▪ Achievement plans in place for all year groups as embedded in year 11</li> </ul> <ul style="list-style-type: none"> <li>▪ Accelerated reader assessments (increased reading ages and reading count over the year - EFR)</li> <li>▪ The LIT programme assessments (JHS)</li> <li>▪ GL assessments - reading age test bi annually</li> <li>▪ Relevant PP funded maths intervention programmes (RCL)</li> <li>▪ Nurture group provision extended to year 7 and 8</li> </ul> <ul style="list-style-type: none"> <li>▪ In –school and external assessments for all subjects and all year groups show that more PP pupils are on/above expected progress and less PP pupils are below/concern expected progress at each Progress check.</li> <li>▪ QA T&amp;L reports to show that teaching in all subjects is at least 85% effective or highly effective</li> <li>▪ QA Book looks to show marking and feedback is leading to progress and improved outcomes</li> </ul>

1d) Improved rates for progress for all pupils, particularly disadvantaged pupils across KS3 and KS4 in all subject areas

- i) **All subject areas** to consider and plan for underachieving groups of pupils, particularly those eligible for PP
- ii) **All HAPs**, particularly those eligible for PP are in receipt of lessons that stretch and challenge them
- iii) **All subject areas** to consider and plan for underachieving boys, particularly those eligible for PP
- iv) **All subject areas** to consider and plan for SEN pupils, particularly those eligible for PP

1f) Directors of Achievement to use a more robust system to identify when pupils fall in the Concern category across subjects

- All PP students make progress in line with non-PP students, the gap between PP and Non-PP students narrows in subject areas (HoDs GCSE analysis 2018 V 2019)
- Higher Attaining PP pupils make significantly more progress than other pupils and the same progress as all HAPs, in school and nationally. (evidence through outcomes analysis ZJO)
- All subject areas access PP funding through the bid system to support department specific PP focus (evidenced through bids and funding tracking - ZJO)
- Improved teaching and learning ensures that all students receive quality first teaching through all subject areas (measured through QA T & L reports – NWA/SBR)
- All subject areas focus aspects of department improvement on provision for disadvantaged students (evidenced through SEF – NWA/SBR)
- All department reviews focus on the provision and progress of disadvantaged students (evidence through QA activity)
- School CPL programme supports a focus on school specific vulnerable groups through twilight sessions, MLD programme, HoDs forums and Teachmeets. (NWA/JHS/NCA)
  
- DoAs trained to use DAPA to identify pupils underachieving across a range of subjects
- PP pupils receive intervention at an earlier stage than non PP pupils – when they are in the below category as opposed to the Concern category (between  $-0.5 < B < -0.1$  NA points)
- DoA's to hold 1:1 meetings with pupil and parents at each PC for pupils in concern category
- DoA to monitor and track interventions to share and embed good practice.

<p>2</p>	<p><b>All students, particularly disadvantaged pupils</b> are engaged with learning and a wider range of enrichment opportunities and have high aspirations for themselves and those around them.</p> <p>All Parents are more engaged through a range of activity in supporting children's learning</p>	<ul style="list-style-type: none"> <li>▪ Increased attendance to whole school events including Achievement evenings, open evenings etc</li> <li>▪ Increased attendance at Higher Education events / career events</li> <li>▪ A significant declining trend in reported negative behaviour and exclusions (evidence using behavior and attendance systems through Pars - CFI)</li> <li>• Student voice shows increasing positive attitudes to school and self. (evidence through department review student voice, PASS, department specific student voice and surveys)</li> <li>• Enrichment opportunities are well-attended by PP pupils (Evidenced by registers, evaluated by ABR)</li> <li>• Evidenced through parental feedback and attendance registers</li> <li>• Hard to reach parents – home visits, working with families to remove barriers to learning.</li> </ul>
<p>3</p>	<p><b>Increased attendance rates and lower exclusion rates for all pupils, particularly those from disadvantaged backgrounds</b></p>	<ul style="list-style-type: none"> <li>▪ Overall attendance for all pupils, particularly those eligible for PP improves from 92.9% to 95% (evidenced through attendance data CFI)</li> <li>▪ Exclusion rates decrease for all pupils, particularly those eligible for PP (CFI)</li> <li>▪ PP pupils' progress and engagement with school improves over time as evidenced through student feedback</li> <li>▪ Views from parents of disadvantaged pupils are surveyed and responded to – 80% of parents to be 'happy' with the school's provision for their child (school survey CFI)</li> <li>▪ Evaluations from all parents' evenings are 85% positive</li> </ul>
