

NEWARK
ACADEMY

January 2019

Dear Parents/Carers

I am delighted to invite you to our Careers Expo on Thursday 7th February 2019. This event represents a wonderful opportunity for our Academy students and parents to engage with employers, education and training providers from within our local and regional community.

This event has been created for students and parents from Year 8 and Year 10, but we welcome any students from Years 11 or 12 to further develop their understanding about their next steps after Newark Academy life.

Exhibitors will be represented by some key areas of industry both locally and internationally and will also be joined by some of our local educational providers.

The purpose of this event is to extend the information and guidance on career pathways, to include further educational courses, higher educational courses and undergraduate schemes.

There will be the opportunity to visit an array of stands including local further education colleges and employers offering alternative routes with undergraduate schemes and Higher Level Apprenticeships. A number of training providers will also be present.

The timing of this event coincides with our Year 8s selecting their subject options and for Year 10s to start considering what happens after Year 11. This event is designed to inspire and inform and they will receive important career-specific information that will help them with this decision-making process.

Alongside the exhibition, students and parents/carers will be offered an opportunity to attend a workshop on work-based learning routes including higher level apprenticeships. Additionally, all attendees will have access to a Level 7 qualified careers adviser who will be present for the duration of the event and will be able to answer questions and provide advice and signposting.

Parents/carers and students will be invited to attend at the following times:

5pm – 6pm: Year 8 students and parents/carers

6pm – 7.30pm: Year 10, 11, 12 students and parents/carers

We hope you and your child will take this opportunity to visit and find out more about future career pathways.

Please indicate overleaf your intention to attend the event on Thursday 7th February 2019 and return the slip to your Careers Leader, Mr D Palethorpe by Tuesday 5th February 2019.

Please also select a time if you wish to attend a workshop on work-based learning routes including higher level apprenticeships.

Yours sincerely

David Palethorpe

Please return this slip to Newark Academy reception.
