

October 2017

Dear Parents/Carers

I warmly invite you to attend our first Families Forum meeting of the new academic year. It will take place on 17<sup>th</sup> October at 4pm here at Newark Academy. Please report to reception on arrival.

The Families Forum began last year and has become an integral part of our school community. We welcome new members and look forward to working together on our journey to excellence.

Our Families Forum is open to all parents and carers and is a fantastic way to find out more about education here at Newark Academy. The meetings also enable you to have an opportunity to ask questions, seek advice and to meet other parents as well as members of the senior leadership team.

The agenda for Tuesday 17<sup>th</sup> October includes:

- Homework
- Feedback on Insight
- Feedback on 'Novation'
- Upcoming events
- Feedback on enrichment
- New reporting format

Please can you confirm your attendance via email to [kvause@newarkacademy.co.uk](mailto:kvause@newarkacademy.co.uk) or contact school for further information.

I look forward to meeting you.

Yours sincerely

Katie Vause
