

Dear Parent/Carer

At this crucial time in your child's education and in response to the recent mock examination results, the English department have released a variety of supportive revision booklets to enhance your child's progress in both literature and language. The task for these booklets are due on January 11th and should be submitted to your child's respective English teacher. It is the English department's expectation that these booklets are completed over the Christmas period.

In order to ensure that your child has adequate rest and appropriate time for other subjects, the English department has ensured that these tasks take an approximate duration of five hours over the three week period.

As an incentive to complete these tasks to a high standard, the English department is offering a prize draw of £30.00 worth of high street vouchers. However, should tasks not be completed, the required hours will be made up through afterschool detentions.

We hope you appreciate the importance of these high quality revision materials and encourage your child to engage with their revision and make the most of this opportunity.

Thank you for your support in this matter

Kind Regards

Mrs J Hamilton-Smith
Head of English and Performance Faculty
