As a preferred travel partner with Newark Academy for out of school activities, we would like to offer pupils and parents an incentive to use more public transport in the area.

Therefore in partnership with the academy you are invited to apply for a travel card to gain a discount against travel, initially on our service 90 Fosseway Flyer to Nottingham.

The discount will apply to students of the academy travelling and also extend to a parent or guardian travelling with the student and apply to all days which this route operates, including weekends.

The initial discount will be as follows
