

Dear Parents/Carers,

I would like to take this opportunity to invite you to the **Sixth Form Open Evening** at Newark Academy. This will be taking place at the school on **Tuesday 8th November 2016 between 6.30pm and 8.00pm.**

We believe that every student matters and has the ability to progress onto a learning pathway appropriate to their interests and abilities. It is our mission to ensure that we provide every opportunity for our young people to be successful. We will be able to offer a range of advanced courses, class sizes which support outstanding delivery and support, individual mentoring, private study support and an individually tailored programme of study. We are also developing an exciting new range of industry developmental programmes such as Preparation and Working in Engineering, Preparation and working in Information Communications and Sport Training and Development for our students so there really is something for everyone in our Sixth Form. Our state of the art facilities provide all our students with a range of fantastic learning spaces that support success.

The evening will provide an opportunity for both students and parents to speak to staff and current 6th form students about the courses on offer and to gain an insight into Newark Academy Sixth Form. Refreshments will be available on the evening as well as a range of information which will provide you with further detail as to what our sixth form has to offer. As you move around the evening, you will be able to collect course information leaflets from each subject area allowing you to create your own unique prospectus.

If you wish to discuss your next steps before the evening or are unable to attend, then please contact the school and arrange a personal meeting were I would be happy to discuss any aspect of our provision further. Please fill in the reply slip below and return to school, I will contact you as soon as possible to arrange an appointment.

Yours sincerely

Mr D Palethorpe
Leader of Post16

I would like to arrange an individual meeting to discuss possible next steps.

Name of student.....
