

April 2018

Dear Parents/Carers

SUMMER ENRICHMENT 2018

Please find overleaf our exciting enrichment offer for the summer term. We have a number of clubs and activities which are continuing as well as a number of exciting new clubs for students to enjoy including canoeing and cheerleading!

We will shortly be trialling a new online registration system for clubs. This will enable you as parents and carers to:

- Sign your child up for clubs
- Complete online consent for photos and trips etc
- Monitor attendance
- Keep updated with news and changes to scheduled activities.

Once the trial period has concluded we will launch the system fully in September for our new enrichment programme for the 2018-2019 academic year. In the meantime students will need to sign up for clubs using the 'sign me up!' form below. This needs to be completed and handed into Reception by **Friday 20th April**. Please note the varying start dates for the clubs. For in house activities and those delivered by our partners Inspire, the clubs will start again the first week back. For these sessions students can enrol straight away as long as they bring along the consent form below. All other clubs will begin week commencing 30th April.

For specialist activity, canoeing, there is an extra charge of £6 per session. This is to cover the cost of the specialist coaching, transport and hire of equipment. More information regarding payment information and club times will be sent to parents and carers following an expression of interest on the form below.

Please note, all clubs are first come, first served. In the event of a club/activity reaching capacity parents will be informed at the earliest opportunity and a waiting list will be employed.

Should you have any questions regarding the enrichment offer please do not hesitate to contact me via email kvause@newarkacademy.co.uk or via the school main Reception.

With kind regards

Katie Vause

School Leader – Enrichment
