

Dec 2016

Dear Parent/Carer

I am writing to inform you of the updated school travel information received from Nottinghamshire County Council, our school transport provider. These changes are the result of Travel Wright withdrawing their duplicate 67 Winthorpe – Newark Academy bus and will come in to effect from 10th February 2017. The suggested alternative by Nottinghamshire County Council for students affected by the withdrawal of this service is Stagecoach's Number 2 bus. For those students that live in the villages out of Newark and catch the 67 these changes will not affect them.

Please see below for the updated timetable information detailing the dedicated bus services that will cover the catchment area providing safe, economical and convenient transport for our students to the Newark Academy.
