3<sup>rd</sup> February 2025

Dear Parent/Carer,

We have just been informed that Ofsted will be inspecting Newark Academy on Tuesday 4<sup>th</sup> and Wednesday 5<sup>th</sup> February. I have shared this information directly with the students via full year assemblies before the end of the day. We are all very excited by the opportunity this presents to show our visitors just how GREAT our school is and showcase all the hard work of our whole school community of students, staff and families. We are so proud of the children we teach and know they will impress during the course of the inspection.

Three things make our school GREAT: the students, the staff and the parents/carers. Ofsted are keen to capture the views of as many parents/carers as possible. Therefore, I hope you will take the opportunity to complete the DfE Parent View Survey, the link can be found on the attached Ofsted letter (or below) and share your thoughts on our GREAT school and the education and care we provide. We would be grateful for the completion of this survey as soon as possible ideally by the end of tomorrow. Please also encourage your son/daughter to complete the student survey that will be sent to them too.

<https://parentview.ofsted.gov.uk>

As always, I am seeking your support to ensure all students create a very positive first impression on our visitors tomorrow by displaying the same high standards of behaviour and uniform that they usually do. We therefore expect all students tomorrow to be punctual, in full school uniform and ready to learn.

Please find attached a letter and booklet from OFSTED with further details from the lead inspector.

Kind regards,

Inma Peña  
Headteacher
