

Family Hand Art

shutterstock.com • 1433556080

Create a family Portrait using just your hands.

You will need;

- Mounting paper or card (A3)
- Coloured card. You can use anything you like here even wallpaper or wrapping paper if you would like to add pattern.
- Scissors
- Glue

Simply draw around the hands of each member of your family and arrange, overlapping from the largest to the smallest.

Glue down onto the mounting Card and add a written message of your choice.
